Rhagair

Pleser yw cyflwyno i'ch sylw nawfed adroddiad blynnyddol Bwrdd yr iaith Gymraeg. Wrth edrych yn ôl, mae mwy o gyfiawnhad nag erioed dros alw'r flwyddyn ddiwethaf yn un hanesyddol, o ran y datblygiadau a welwyd mewn polisi cyhoeddus tuag at y Gymraeg.

Fis Mehefin y llynedd, daeth yr adolygiad o'r iaith gan ddau o Bwyllgorau'r Cynulliad Cenedlaethol i ben. Cymerodd y Bwrdd ran lawn yn yr adolygiad, a da oedd gweld fod yr adroddiad terfynol *Ein Hiaith: Ei Difodol* yn cynnwys nifer fawr o'n hargymhellion. Cafwyd ymateb Llywodraeth y Cynulliad yn syth gyda chyhoeddi'r datganiad polisi, *Difodol Dwyieithog*. Un o'i brif ymrwymiadau yw'r addewid i ddwyn y Gymraeg i brif ffrwd gwaith Llywodraeth y Cynulliad a'i hasiantaethau, rhywbeth y bu'r Bwrdd yn galw amdano'n gyson dros y blynnyddoedd.

Penllanw'r cyfan oedd cyhoeddi *iaith Pawb* – sydd yn ddi-os, yn garreg filltir yn hanes y Gymraeg. Dyma gynnllun gweithredu cynhwysfawr Llywodraeth y Cynulliad ar gyfer Cymru ddwyieithog. Yn union wedyn, daeth Jenny Randerson, Gweinidog Llywodraeth y Cynulliad â chyfrifoldeb dros y Gymraeg ar y pryd, i'r Trallwng i gyflwyno'r ddogfen i'r Bwrdd ac i nifer fawr o'n partneriaid.

Mae *iaith Pawb* yn pwysleisio mai'r Bwrdd yw prif gorff cynllunio ieithyddol Cymru, corff sydd â gorolwg strategol dros bopeth sy'n ymwneud â'r Gymraeg. Mae'n cydnabod hefyd ein swyddogaeth ganolog yn y gwaith gweithredu, ac i'r perwyl hwn, cafwyd cynnydd o £16 miliwn yn ein grant dros y tair blynedd nesaf.

Mae hyn, yn galondid mawr inni: prawf, yn sicr, o ymddiriedaeth y Llywodraeth yn y Bwrdd ac yn yr hyn a gyflawnwyd gennym hyd yma. Ond mae'n her fawr i ni a'n partneriaid hefyd. Bydd ein gwaith ni i gyd yn ehangu'n sylweddol mewn sawl maes allweddol – o'r mentrau iaith i gynnllun Twf, ac o hybu'r Gymraeg ymmsg pobl ifanc i gynyddu'r defnydd ohoni yn y sector preifat. Byddwn hefyd yn cryfhau ein presenoldeb ar draws y wlad drwy agor swyddfeydd rhanbarthol newydd – yn y gogledd-orllewin a'r de-orllewin i gychwyn.

Am y tro cyntaf erioed, dangosodd canlyniadau y Cyfrifiad gynnydd yn niferoedd a chanran siaradwyr Cymraeg yng Nghymru. Roedd hyn yn galonogol dros ben, ond wrth gwrs, nid yw'r hanes yn fêl i gyd. Mae'r sefyllfa mewn nifer o gadarnleoedd traddodiadol y Gymraeg yn dal yn fregus, ac mae nifer o bethau nad yw'r Cyfrifiad yn cynnig gwybodaeth arnyn nhw o gwbl.

It gives us great pleasure to present the ninth Welsh Language Board annual report. In retrospect, there is more justification than ever in regarding this year as a memorable one, so far as developments in public policy on the language are concerned.

In June last year, the review of the language conducted by two of the National Assembly's Committees was completed. The Board played a full part in the review, and it was encouraging to see that the final report *Our Language: Its Future* included several of our recommendations. The Assembly Government responded immediately by publishing its policy statement, *Bilingual Future*, one of whose main commitments was to mainstream Welsh into the work of the Assembly Government and its agencies, something for which we have been consistently pressing over many years.

The high point undoubtedly was the publication of *iaith Pawb*, a milestone in the history of Welsh. This document is the Assembly Government's comprehensive action plan for a bilingual Wales. Immediately after its publication, Jenny Randerson, the Assembly Government Minister then responsible for the Welsh language, came to Welshpool to present the document to the Board and several of our partners.

iaith Pawb emphasises that the Board is the chief language planning body in Wales, with a strategic overview on everything relating to the Welsh language. It also recognises our central role in its implementation, and, to this effect, we received an increase of £16 million in our grant over the next three years.

Naturally, this is a matter of great encouragement: real proof of the Government's confidence in the Board and in what we have achieved to date. But it also sets a considerable challenge. Our work and that of our partners will be expanding substantially in several key areas – from the *mentrau iaith* to the Twf project, and from promoting the language among young people to increasing its use in the private sector. We shall also be strengthening our presence throughout Wales by opening new regional offices – in the north-west and south-west initially.

For the first time ever, the preliminary results of the Census on the language showed an increase in both the numbers and percentage of Welsh speakers in Wales. This was highly encouraging, but of course the story is not entirely positive. The position of Welsh in many of its traditional strongholds is still weak, and there are many questions that the Census does not answer at all.

Even though the Office of National Statistics

Er i'r Swyddfa Ystadegau Gwladol honni fod canlyniadau Cyfrifiad 2001 yn dangos cynnydd mewn defnyddio'r Gymraeg pan gyhoeddwyd y data cychwynnol, ni ellir profi hynny, gan nad oes cwestiwn yngylch defnydd iaith. Roedd hyn yn gamddehongliad anffodus, ac yn brawf pellach - gan gofio'r holl helynt pan wrthodwyd i Gymry gofnodi eu hunaniaeth yn rhwydd yn 2001 – o'r angen i benodi Cofrestrydd Cyffredinol i Gymru cyn i'r gwaith gychwyn ar gyfrifiad 2011. Byddai hyn yn ein galluogi i ofyn cwestiynau sydd o ddiddordeb neilltuol i ni ac efelychu trefn sy'n bodoli'n barod yn yr Alban a Gogledd Iwerddon. Byddai'r gallu i ofyn cwestiynau penodol am ddefnydd iaith hefyd yn ein cynorthwyo ni ac eraill i gynllunio polisiau ar sail gadarnach.

Mae rhai o'n haelodau yn ein gadael ni ar ddiweddu y cyfnod. Dymunwn yn dda iddyn nhw. Diolch yn arbennig i un sy'n ein gadael a wnaeth gyfraniad arbennig i'n gwaith, sef Medwin Hughes a fu gyda'r Bwrdd statudol o'r cychwyn ac a ddaeth yn ddiweddarach yn Is-Gadeirydd. Croeso mawr hefyd i'n haelodau newydd, a diolch i'n holl staff am eu hymrwymiad diflino i waith cenhadol y Bwrdd. Diolch hefyd i'n partneriaid i gyd: heb eu cydweithrediad nhw, byddai ein holl lwyddiannau dipyn yn dlotach.

Diolch yn olaf i Lywodraeth y Cynulliad, ac yn arbennig i'r Cyn-Weinidog Jenny Randerson a'i Dirprwy Delyth Evans, am eu cefnogaeth i'r Bwrdd – a diolch hefyd i Rhodri Glyn Thomas, Cynog Dafis, Gareth Jones a'u Pwyllgorau am eu diddordeb cyson yn ein gwaith. A chroeso i Alun Pugh, y Gweinidog newydd sydd â chyfrifoldeb dros y Gymraeg, ac i Rosemary Butler, Cadeirydd y Pwyllgor Diwylliant. Mae Alun wedi dangos ei ymrwymiad i'r Gymraeg yn barod drwy ddysgu'r iaith ers dod yn Aelod o'r Cynulliad: edrychwn ymlaen yn eiddgar at gydweithio gydag ef a'r Llywodraeth newydd yn y gwaith o greu Cymru gwirioneddol ddwyieithog.

claimed when the initial data were released that the results of the 2001 Census show an increase in the use of Welsh, this cannot be proven, since no questions were asked about language use. This was an unfortunate misinterpretation, and further proof – particularly when one recalls the controversy caused by the fact that Welsh people were denied the right to register their identity in a straightforward manner in 2001 – of the need to appoint a Registrar General for Wales before work begins on the 2011 Census. This would allow us to ask questions of particular interest to Wales, mirroring the arrangements already in place for Scotland and Northern Ireland. The ability to ask questions about the use of Welsh would also assist us and others to formulate policies on a sounder basis.

Prif Weithredwr/Chief Executive

Some of our members are leaving us at the end of the reporting period. We wish them well, and thank them for their contribution. Special thanks are due to one who is leaving us after making an outstanding contribution, Medwin Hughes, who has been with the statutory Board from its inception and subsequently served as Vice Chair. We also extend a warm welcome to our new members, and many thanks to our staff for their untiring commitment to the Board's mission. Thanks also to all our partners: without their co-operation, our successes would have been far more limited.

Our final thanks go to the Assembly Government, and especially to the former Minister Jenny Randerson and her Deputy Delyth Evans, for their support – thanks also to Rhodri Glyn Thomas, Cynog Dafis, Gareth Jones and their Committees for their consistent interest in our work. And welcome to Alun Pugh, the new Minister with responsibility for the Welsh language, and to Rosemary Butler, the newly appointed Chair of the Culture Committee. Alun has already demonstrated his commitment to Welsh by learning the language since becoming an Assembly Member: we look forward eagerly to working with him and the new Government in the task of creating a truly bilingual Wales.

> Cymraeg o'r cychwyn Welsh from the start >

Cred y Bwrdd mai'r cyfnod cynharaf yw'r amser gorau i ddod yn rhugl mewn iaith. Gall hyn ddigwydd yn rhwydd drwy ddefnyddio'r Gymraeg ar yr aelwyd. Mae addysg feithrin hefyd yn cynnig cyfleoedd arbennig i blant ddod yn rhugl, yn enwedig os nad yw'r rhieni'n medru'r Gymraeg. Mae *Iaith Pawb* yn pwysleisio'r angen i ddatblygu darpariaeth yn Gymraeg ar gyfer y blynnyddoedd cynnar (0-5 oed).

- > Datblygu Twf yn helaethach, i annog mwy o rieni i ddewis addysg cyfrwng Cymraeg i'w plant
- > Parhau i ddosbarthu gwybodaeth ar ddwyieithrwydd i bob rhiant newydd yng Nghymru
- > Cefnogi gwaith Mudiad Ysgolion Meithrin

The Board believes that the first few years of a child's life are the best time to become fluent in a language. The easiest way to do this is to speak Welsh at home. Nursery education is also a very effective means for children to become bilingual, especially if their parents do not speak Welsh. *Iaith Pawb* highlights the importance of developing early years (0-5 yrs) Welsh language provision.

2002/03
Highlights

- > Further develop Twf, encouraging more parents to choose Welsh medium education for their children
- > Continue to distribute information on bilingualism to all new parents in Wales
- > Support the work of Mudiad Ysgolion Meithrin

TWF YN Y TEULU

Efallai eich bod chi wedi gweld Alice James yn ennill gwobr genedlaethol. Y wraig ifanc o Crymych, sy'n wreiddiol o Lundain, a enillodd deitl Dysgwr y Flwyddyn yn 2002. Pan gafodd hi ei phlentyn cyntaf, aeth Alice ati'n syth i ddysgu Cymraeg. "Cymraeg fu fy iaith i a'r plant o'r cychwyn," meddai, "gan fy mod yn credu'i bod yn bwysig i ddysgu'r iaith i fy mhlant."

"Ar y dechrau roedd fy rhieni yn Llundain yn meddwl fod hyn yn rhyfedd iawn. Ond mae Saesneg y plant yn dda hefyd ac erbyn hyn mae'r teulu i gyd yn gweld manteision dwyieithrwydd." I Alice, mae siarad Cymraeg yn rhan hanfodol o fywyd y plant mewn ardal fel Crymych. "Mae'n bwysig iawn ein bod ni'n pasio'r iaith ymlaen," meddai. "Ac mae'n golygu ein bod ni'n cael amrywiaeth a mwy o brofiadau."

BECOMING BILINGUAL – WITH THE BABY!

You may have seen Alice James before - winning a national prize. The young mother from Crymych comes originally from London and won the 2002 Welsh Learner of the Year award. When her first child was born, Alice started learning Welsh immediately. "I've spoken Welsh to the children from the very beginning," she says, "as I believe that it's important to teach the language to my children."

"At the start, my parents in London thought it was very strange. But the children's English is also excellent, and by now the family understand the benefits of being bilingual." For Alice, speaking Welsh is a vital part of the children's lives in a place like Crymych. "It's very important that we pass the language on," she says. "And it means that you and your children have more varied experiences."

Bwriad y cynllun yw ceisio perswadio rhieni newydd i siarad Cymraeg â'u plant. Mae'r pwyslais ar deuluoedd ag un rhiant yn unig yn siarad Cymraeg, gan gynnig camau ymarferol i'w cynorthwyo i wneud hyn.

Bu'n flwyddyn gyffrous i Twf, gyda nifer fawr o weithgareddau a digwyddiadau'n cael eu trefnu ym mhob rhan o Gymru. Ym mis Mawrth, dathlod y cynllun ei ben-blwydd cyntaf, a threfnwyd taith lwyddiannus gan y Bwrdd ac S4C o amgylch Cymru. Rhoddodd y daith yma flas o weithgareddau Cymraeg a dwyieithog i blant a rhieni.

Cynyddodd y Bwrdd ei gyfraniad ariannol i laith Cyf, yr asiantaeth sy'n gweithredu Twf o ddydd i ddydd ar ein rhan. Bu'r £100,000 o gyllid ychwanegol gan y Cynulliad Cenedlaethol fis Gorffennaf hefyd yn hwb mawr i'r gwaith. Arweiniodd hyn at gyflogi mwy o swyddogion mae, sy'n golygu bod Twf yn gallu trefnu rhagor o weithgareddau arbennig, mewn partneriaeth â'r mentrau iaith, Mudiad Ysgolion Meithrin ac eraill.

TWF

Twf's purpose is to persuade new parents to speak Welsh with their children. The emphasis is on families where only one parent speaks Welsh, and Twf offers practical advice to help them to achieve this.

It was an exciting year for the project, with a wide range of activities and events held across Wales. In March, the project celebrated its first birthday, with the Board organising a successful tour around Wales with S4C. This tour gave both parents and children a taste of Welsh language and bilingual events.

The Board increased its financial contribution to *laith Cyf*, the agency responsible for the day to day running of the project on our behalf. The additional £100,000 from the National Assembly in July also gave the work a major boost. This led to the employment of additional field officers, responsible for organising events in partnership with the *mentrau iaith*, *Mudiad Ysgolion Meithrin* and others.

HELA ARTH YN SIR DDINBYCH!

Daeth dros 100 o blant ardal sir Ddinbych ynghyd i 'Hela Arth' ac i ofyn 'Faint o'r gloch, Mr. Blaidd?' fel rhan o brosiect arbrofol.

Ariannwyd hwn gan y Cyngor Sir a'r Bwrdd, ac mae'n rhan o'r cynllun grantiau addysg.

Mae hyn i gyd yn ategu gwaith pwysig Mudiad Ysgolion Meithrin sydd eisoes yn annog plant i chwarae yn y Gymraeg. Yr athrawon bro lleol sy'n gyfrifol am hyfforddi'r athrawon a gweinyddwyr buarth ym mhob ysgol.

▼
HUNT THE BEAR IN DENBIGHSHIRE!

Over 100 children from Denbighshire came together to 'Hunt the Bear' and to ask 'What's the time, Mr Wolf?' as part of a pioneering project jointly funded by the County Council and the Board, through the Welsh education grants. This reinforces the important work of *Mudiad Ysgolion Meithrin*, which already encourages children to use Welsh at play. The local athrawon bro (Welsh language support teachers) are responsible for training teachers and playground assistants in individual schools.

▼ Mudiad Ysgolion Meithrin

Ers ei sefydlu yn 1971, tyfodd Mudiad Ysgolion Meithrin yn gyson. Bellach mae ganddo dros 1000 o grwpiau ar hyd a lled Cymru. Mae cefnogaeth ddi-flino gwirfoddolwyr, yn enwedig rhieni, yn allweddol. Er bod canran uchel o'r plant sy'n mynychu cylchoedd y Mudiad yn dod o gartrefi di-Gymraeg, mae nifer fawr ohonyн nhw'n symud ymlaen i ysgolion cyfrwng Cymraeg.

Eleni, bu'r Mudiad yn cydweithio'n agos gyda Twf, y mentrau iaith a'r cynlluniau gweithredu iaith. Cynhalwyd nifer o weithgareddau, gan gynnwys mabolgampau a chyrsiau blasu iaith ar gyfer rhieni. Agorwyd amryw o Gylchoedd Ti a Fi, gan gynnwys rhai yn Abergwaun, Brynbuga a Rhydaman.

▼ TWF YN EWROP

Yn ystod y flwyddyn, bu'r Bwrdd yn gweithio gyda'i bartneriaid yng Ngwlad y Basg, Friesland a'r Ffindir. Y bwriad yw sefydlu mewnrwyd fydd yn cynnwys gwylbodaeth am drosglwyddo iaith, gan gynnwys cyngor defnyddiol i reni a gweithwyr proffesiynol yn y maes. Bellach, yn dilyn ein harloesedd ni yma yng Nghymru, mae nifer o brosiectau trosglwyddo iaith yn y teulu ar waith ar draws Ewrop.

▼ TWF IN EUROPE

During the year, the Board worked with its partners in the Basque Country, Friesland and Finland. The aim is to develop an intranet site including a wide range of information on language transmission, aimed at both parents and professional workers in the field. Following our innovative work here in Wales, a number of similar language transmission projects have now been developed across Europe.

▼ Mudiad Ysgolion Meithrin

Since its launch back in 1971, *Mudiad Ysgolion Meithrin* has grown consistently. By now there are more than 1000 groups across Wales. The tireless work of its volunteers, especially parents, is integral to its success. Although many of the children who attend its playgroups are from non-Welsh speaking homes, a high percentage go on to attend Welsh medium schools.

This year, *Mudiad Ysgolion Meithrin* worked closely with Twf, the *mentrau iaith* and the language action plans. Several events were organised, including sports days and Welsh taster courses for parents. New *Cylchoedd Ti a Fi*, (parent and toddler groups), in areas such as Fishguard, Usk and Ammanford, have been set up during the year.

> Ein dyfodol dwyieithog Our bilingual future >

Ein hieuencid yw ein dyfodol ieithyddol a rhaid meithrin eu potensial. Mae *laith Pawb* yn ategu cred y Bwrdd ei bod hi'n bwysig i bobl ifanc deimlo fod Gymraeg yn perthyn iddyn nhw. Dros y blynnyddoedd diwethaf, mae'n gwaith gyda'n partneriaid yn y maes ieuencid (fel yr Urdd, a'r Mudiad Ffermwyr Ifanc) wedi ein galluogi i osod pwyslais cynyddol ar weithgareddau ieuencid.

Our young people are the language's future, and we must nurture their potential. *laith Pawb* supports the Board's view that it is important that young people should feel that Welsh belongs to them. Over the past few years, our work with partners in the youth sector (including the Urdd and the Young Farmers Clubs) has enabled us to increase the emphasis on youth activities.

GWEITHIO GYDA PHOBL IFANC

Unwaith eto eleni, bu'r Bwrdd yn annog ei bartneriaid i ddatblygu gweithgareddau ar gyfer pobl ifanc. Braf iawn oedd nodi fod yr arian ychwanegol a ddaeth o'r Cynulliad wedi galluogi'r Urdd a'r mentrau iaith i gryfhau'u darpariaeth ar gyfer ieuengtid ar hyd a lled Cymru. Yn sgil cydweithio agos gydag asiantaethau sy'n darparu gwasanaethau i bobl ifanc yn lleol, gwelwyd cynnydd sylweddol yn y cyfleoedd cymdeithasol i bobl ifanc siarad Cymraeg y tu allan i furiau'r ysgol. Erbyn diwedd y flwyddyn, roedd gwaith ar brosiect arbennig i dargedu pobl ifanc drwy gerddoriaeth bop wedi cychwyn. Mae rhai o'r mentrau iaith eisoes wedi llwyddo i dargedu pobl ifanc gyda gweithdai roc a chystadlaethau Brwydr y Bandiau. Rhoddwyd cryn bwyslais ar ieuengtid yng ngwaith y cynlluniau gweithredu iaith yn ystod y flwyddyn.

WORKING WITH YOUNG PEOPLE

Once again this year, the Board encouraged its partners to develop activities for young people. The additional funding from the Assembly enabled the Urdd and the *mentrau iaith* to strengthen their provision for young people across Wales. By working closely with agencies providing services for young people at grassroots level, this year saw a substantial increase in the social opportunities for young people to speak Welsh outside school. By the end of the year, the Board had started working on a project targeting young people through pop music. Some *mentrau* already run rock workshops and Battle of the Bands competitions. The language action plans also place great emphasis on work with young people.

CYNLLUNIAU ADDYSG GYMRAEG

Mae'r Bwrdd wedi cymeradwyo cynllun addysg Gymraeg pob awdurdod addysg lleol. Felly, am y tro cyntaf, mae gennym ddarlun cyflawn o addysg Gymraeg a dwyieithog hyd at 16 oed. Braf yw nodi fod nifer o gamau cadarnhaol wedi'u cymryd, mewn cydweithrediad â'r awdurdodau addysg lleol, i flaengynllunio digon o lefydd i blant a phobl ifanc mewn ysgolion cyfrwng Cymraeg a dwyieithog.

Ni fu'r cynnydd gan y sector addysg ôl 16 cystal ag y byddai'r Bwrdd wedi'i obeithio yn ystod y flwyddyn, ond mae'r Bwrdd yn parhau i gydweithio'n gyson â sefydliadau addysgol ar gynlluniau iaith. Erbyn hyn, mae 8 o gynlluniau iaith colegau Addysg Bellach wedi'u cymeradwyo, ynghyd â 6 sefydliad Addysg Uwch.

WELSH EDUCATION SCHEMES

The Board has approved every local education authority's Welsh education scheme. We now have a clear picture of Welsh language and bilingual education up to 16 years. Many positive steps have been taken, in partnership with the local education authorities, to plan ahead so that sufficient places for children and young people in Welsh medium and bilingual schools are available.

Progress in the post-16 education sector was less than the Board would have hoped this year, but work continued with educational institutions on language schemes. 8 schemes in the Further Education sector, and 6 in the Higher Education sector, have now been approved.

WELSH EDUCATION GRANTS

These are the grants which pay for services such as the athrawon bro, and latecomers' centres. The Board distributed over £2.2 million in grant aid to promote Welsh language education, and over £2.5 million has already been allocated for next year. Details are listed in Annex 2.

ANGHENION ADDYSGOL ARBENNIG

Cychwynnwyd y gwaith o sefydlu Tribiwnlys AAA ar wahân ar gyfer Cymru, a da fydd cael corff cwbl ddwyieithog wedi'i leoli yma. Bu'r Bwrdd yn rhan ganolog o waith Pwyllgor Therapi iaith a Lleferydd y Cynulliad, a gynhaliodd arolwg manwl o'r ddarpariaeth ledled Cymru, gan edrych ar therapi iaith Gymraeg a dwyieithog.

SPECIAL EDUCATIONAL NEEDS

The work to set up an independent SEN Tribunal for Wales has started. The creation of a wholly bilingual body based here in Wales is welcomed. The Board played a central role in the Assembly's Language and Speech Therapy Committee, which held an internal survey of provision throughout Wales, focusing on Welsh and bilingual language therapy.

Urdd Gobaith Cymru

Ers ei sefydlu yn 1922, mae'r Urdd wedi tyfu'n un o fudiadau ieuenciad mwyaf blaenllaw Ewrop. Mae'n cynnig gweithgareddau o bob math - eisteddfodau, gwrsylloedd, chwaraeon, gwaith dyngarol a chlybiau lleol i blant a phobl ifanc.

Braf oedd gweld Viviane Reding, Comisiynydd Diwylliant y Comisiwn Ewropeaidd yn ymweld â'r wyl yn 2002. Bu'r flwyddyn ddiwethaf yn gyfnod o ailadeiladu llwyddiannus yn dilyn helynt clwy'r traed a'r genau. Yn ogystal ag arian ychwanegol gan y Cynulliad Cenedlaethol, llwyddodd yr wyl i ddenu arian gan y Cyngor Chwaraeon i benodi pedwar swyddog ychwanegol i weithredu'u strategaeth chwaraeon. Hefyd, llwyddodd yr Urdd i sicrhau grantiau sylwedol er mwyn ymestyn eu canolfannau preswyl, Glan Llyn a Llangrannog.

Urdd Gobaith Cymru

Since its creation in 1922, the Urdd has grown into one of the most influential youth organisations in Europe. It organises all types of activities – eisteddfodau, camping, sport, humanitarian work and local clubs – for children and young people.

It was good to see Viviane Reding, the European Commission's Culture Commissioner, at the festival in 2002. The past year has been a period of successful rebuilding following the problems caused by the foot and mouth disease. The Urdd managed to secure additional funding from both the National Assembly and the Sports Council, to appoint four extra officers to implement their sports strategy. Substantial grant funding was also secured enabling the Urdd to further develop the residential centres at Glan Llyn and Llangrannog.

> Defnyddio'r Gymraeg ar lawr gwlad Welsh in the Community >

Cred y Bwrdd fod rhaid atgyfnerthu'r Gymraeg fel iaith gymunedol. Felly bu cynydd cyson mewn grantiau i'r mentrau iaith dros y blynnyddoedd diwethaf. Mae'r Bwrdd hefyd yn ariannu nifer o ddatblygiadau cymunedol eraill. Dros y ddwy flynedd diwethaf datblygwyd nifer o gynlluniau gweithredu iaith mewn gwahanol ardaloedd o Gymru, ac mae rhagor eto ar y gweill. Mater o gydweithio â nifer o asiantaethau a phartneriaethau yw atgyfnerthu'r iaith yn gymunedol. Mae ymrwymiad nifer fawr o asiantaethau a mudiadau'n sicrhau fod cynnal a datblygu dwyieithrwydd yn rhan greiddiol o'u gwaith hwythau.

The Board believes that Welsh must be strengthened as a community language. Therefore, there has been a consistent increase in grants to the *mentrau iaith* over the past few years. The Board also funds a number of other community developments. Over the past two years the Board has developed a number of language action plans in different areas of Wales. Others will be launched over the next few years. Work with our partners and other relevant agencies is an important tool in reinforcing the language at grassroots level. The commitment of a large number of agencies and our partners ensures that sustaining and developing bilingualism is also a central part of their work.

LANGUAGE PLANNING AT LOCAL LEVEL

Language action plans are experimental projects developed to promote Welsh in areas where the language needs a boost. Board staff facilitate the work by bringing local, regional and national organisations together to develop the language in the community. Plans currently operate in Fishguard, Ammanford, Corwen, Ruthin and Pwllheli and Llŷn.

The first language action plan was established in Fishguard. Although agencies such as the Board, the WDA, the local council and the *menter iaith* all play an important role, the project is driven by the local community. The local committee, chaired by Councillor Brian Howells, has taken responsibility for promoting Welsh at grassroots level. Fishguard's education committee is responsible for coordinating work by *Mudiad Ysgolion Meithrin*, primary schools and Ysgol Bro Gwaun. One of the plan's main target groups is young people.

Over the past year, local interest in the project has developed and grown, based on wide-ranging partnership work. The opening of a shop, supported by the WDA, gave the project a considerable boost, creating an important community resource. With meeting rooms for local groups, the building is an important shop front for the Welsh language in the area. The language's profile locally has increased, and there are now many more social opportunities for young people to use Welsh.

During 2002/03, the Board distributed £2,407,421 in grant aid to 31 organisations. In each case, expenditure was monitored throughout the year in accordance with targets agreed before the start of the financial period. Grant details are included in Annex 2.

A number of copies of each book were produced to enable people to borrow the novels. The organisation continues to work on a Braille version of the Collins/Spurrell Welsh dictionary. This year also saw the RNIB offering special courses encouraging more people to learn Welsh Braille.

CYNLLUNIO GWLAD A THREF

Bu'r Bwrdd yn parhau i ymwnneud â'r maes Cynllunio Gwlad a Thref yn ystod y flwyddyn. Cyflwynwyd papur ar *Gynllunio, Tai a'r iaith Gymraeg* i'r Cynulliad Cenedlaethol. Yn sgil hyn, mae partneriaeth sy'n cynnwys nifer o Awdurdodau Cynllunio, y Bwrdd a'r Cynulliad, wedi contractio tîm o Gynllunwyr i greu methodoleg swyddogol i fesur effaith ieithyddol polisiau a cheisiadau cynllunio. Bydd y gwaith yma'n cael ei wneud yn ystod y flwyddyn nesaf dan arweiniad Dr Mark Tewdwr Jones, o Goleg y Brifysgol Llundain.

TOWN AND COUNTRY PLANNING

The Board's involvement in Town and Country Planning continued during the year. Following the publication of its paper to the National Assembly, *Planning, Housing and the Welsh Language*, a number of Planning Authorities, the Board and the National Assembly contracted a team of Planners to create an official methodology to measure the linguistic effect of planning policies and applications. The project will be led by Dr Mark Tewdwr Jones of University College London.

Mentrau iaith

Mudiadau lleol yw mentrau iaith, sy'n rhoi cymorth i gymunedau gynyddu defnyddio'r Gymraeg. Mae'r mentrau yn rhoi cymorth a chyngor i unigolion, mudiadau a busnesau, ac yn cynnal gweithgareddau er mwyn codi proffil yr iaith. Bellach, mae 25 o fentrau iaith ledled Cymru, yn dilyn sefydlu dwy newydd ym Merthyr Tudful a Bro Morgannwg. Cynyddodd cyfraniad grant y Bwrdd i'r mentrau o £652,000 i £806,000, a chyda nawdd ychwanegol o £100,000 o'r Cynulliad, bu modd i naw menter gryfhau eu darpariaeth ar gyfer pobl ifanc ac yn y sector preifat.

Mentrau iaith

Mentrau iaith are local organisations, helping communities to increase the use of Welsh. The *mentrau* offer advice and help to individuals, organisations and businesses, and organise events to raise the language's profile. There are now 25 *mentrau iaith* across the whole of Wales, following the setting-up of two new organisations in Merthyr Tydfil and the Vale of Glamorgan. This year's grant to the *mentrau* increased from £652,000 to £806,000. The additional £100,000 from the Assembly enabled nine of the *mentrau* to strengthen their provision for young people and the private sector.

> Defnyddio dwy iaith yn y gwaith Two languages at work <

Wrth i Gymru dyfu'n wlad gynyddol ddwyieithog, mae'r Bwrdd yn awyddus i weld mwy a mwy o bobl yn cael y cyfle i ddefnyddio a datblygu'u sgiliau dwyieithog wrth eu gwaith. Felly rydym wedi bod yn pwysol yn gyson am gynnydd mewn defnyddio'r Gymraeg yn y byd gwaith. Bu'n flwyddyn o gydweithio gyda chwmnïau mawr a bach ym mhob cwr o Gymru a thu hwnt. Cafwyd cryn lwyddiant gyda chwmnïau fel Ikea a McDonalds.

As Wales becomes an increasingly bilingual country, the Board wishes to see more and more people getting the chance to use and develop their bilingual skills at work. Therefore, we have been consistently pressing for an increase in the use of Welsh in the workplace. This year saw the Board working with companies and businesses of all types and sizes in all areas of Wales and beyond, including successes with companies such as Ikea and McDonalds.

IKEA

Yn sgil y cyhoedd iod fod Ikea yn agor ei siop gyntaf yng Nghymru yn Hydref 2003, cysylltodd y Bwrdd â'r cwmni i'w hannog i fynd ati i ddefnyddio'r Gymraeg – a chafwyd croeso brwd. Bydd y Bwrdd yn rhoi cymorth ymarferol i'r cwmni ar ddefnyddio'r Gymraeg yn eu siop ddiweddaraf – sef un o'r mwyaf ym Mhrydain. Ceir arwyddion dwyieithog eisoes mewn siopau yn Israel, y Ffindir a Gwlad Belg, ymystg eraill. Bu'r cwmni yn awyddus iawn i symud i Gymru ers blynnyddoedd, a chyda safle arbennig yn ardal Bae Caerdydd, mae'r siop, fydd yn cyflogi dros 500 o staff yn y pen draw yn siŵr o ddenu siopwyr o sawl man yng Nghymru.

IKEA

During the year Ikea announced the opening of their first superstore in Wales in autumn 2003, The Board contacted the company to encourage them to use Welsh – and received a positive response. The Board then advised Ikea on how to use Welsh in the new shop – the second largest in Britain. Ikea have used more than one language in countries such as Israel, Finland and Belgium before, where bilingual signs are seen throughout their stores. The company have been eager to move to Wales for many years, and with their new store in Cardiff Bay looking at employing over 500 staff, Ikea will be attracting shoppers from several areas of Wales.

SECTOR PREIFAT

Bu'n gyfnod cyffrous o ran ymwneud y Bwrdd â'r sector preifat. Rhoddodd cyllid ac adnoddau ychwanegol gan y Cynulliad gyfle i'r Bwrdd fynd ati o ddifrif i daclo'r sector hollbwysig yma. Trefnwyd nifer o ddigwyddiadau yn ystod y flwyddyn, gan gynnwys brecwast busnes, gyda chynrychiolwyr o nifer o brif fusnesau Cymru. Bu hwn yn gyfle i gydnabod nawdd hael o £10,000 gan gwmni Tesco i'n helpu gyda gwaith y Bwrdd yn y sector preifat.

Creu partneriaethau cadarn fu'r nod wrth ddelio a'r sector preifat. Mae'r Bwrdd yn awyddus i bwysleisio bod cyngor a chefnogaeth ymarferol ar gael i fusnesau bach a mawr wrth iddyn nhw geisio datblygu gwasanaethau dwyieithog. Mae cefnogaeth busnesau rhyngwladol fel Tesco, sy'n arweinwyr yn eu meysydd arbennig, yn ogystal â chwmnïau cynhenid Gymreig, fel Oriel Jones a'i Fab o Lanybydder, yn hynod o werthfawr i'r Bwrdd. Bu'r Bwrdd hefyd yn cydweithio gyda chwmnïau fel Handelsbanken o Sweden, a fydd yn agor swyddfa yng Nghymru.

Braint i'r Bwrdd yn ystod y flwyddyn oedd cynorthwyo Jenny Randerson i lawnsio laith Pawb, mewn nifer o ddigwyddiadau ar hyd a lled Cymru, gan gynnwys un wedi'i dargedu'n benodol at y sector preifat. Daeth nifer o gynrychiolwyr o fyd busnes ynghyd ym Mhontypridd, i glywed Cadeirydd y Bwrdd a'r Gweinidog yn sôn am eu gweledigaeth ynglŷn â defnyddio'r Gymraeg yn y sector preifat.

PRIVATE SECTOR

It was an exciting period for the Board's work with the private sector. Additional funding and resources from the National Assembly enabled the Board to target this vitally important sector. Events organised this year included a business breakfast, which brought together representatives from some of Wales' foremost businesses. This was an excellent opportunity to acknowledge the generous £10,000 in sponsorship by Tesco to assist the Board in its work with the private sector.

Over the past year the Board's private sector work concentrated on creating strong partnerships with other agencies and companies. The Board is eager to stress that practical advice and support is available for small and large businesses as they develop bilingual services. The support of international companies such as Tesco, who are market leaders in their field, is extremely valuable to the Board, as is the support of smaller Welsh companies, such as Llanybydder based Oriel Jones and Son. The Board also worked with companies such as Handelsbanken from Sweden, who will be shortly opening their first branch in Wales.

During the year, the Board was privileged to assist Jenny Randerson to launch laith Pawb, in a series of events across the country, including one specifically targeting the private sector. Business people from all backgrounds came to Pontypridd to hear the Board's Chair and the Minister outlining their vision for the use of Welsh in the private sector.

GWOBRAU DYLUNIO DWYIEITHOG

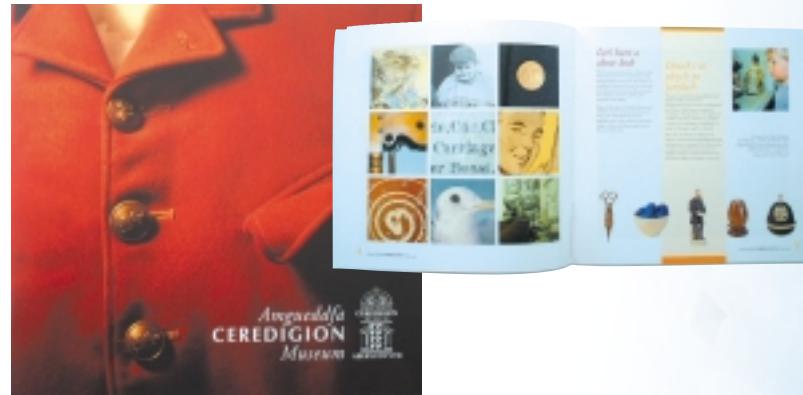

Bu'r gwobrau'n llwyddiant mawr eto eleni, gydag ymhell dros 1000 o geisiadau mewn pum maes amrywiol. Cynhaliwyd y seremoni wobrwo yn Nhŷ Tredegar, Casnewydd gyda thros 100 o westeon. Unwaith eto, cyhoeddwyd atodiad arbennig yn y Western Mail adeg yr Eisteddfod Genedlaethol.

Cafwyd arddangosfa arbennig ym mhafiliwn celf a chrefft yr Eisteddfod. Cafwyd nawdd gan Awdurdod Datblygu Cymru, Tesco, Nationwide, NatWest Cymru, Camelot, Westdale Press a chwmni Hughes. Braf iawn yw nodi fod ein holl noddwyr wedi cytuno i barhau â'u cefnogaeth hael am flwyddyn arall. Trefnwyd y gwobrau mewn cydweithrediad â Dylunio Cymru. Un o feirniad y gystadleuaeth oedd gohebydd celfyddydau BBC Cymru, Jon Gower. Croesawodd y ffaith fod cymaint o amrywiaeth yn y gystadleuaeth, gyda chwmniâu bach fel y Lili Wen yn Llanfairpwllgwyngyll, yn cystadlu ochr yn ochr ag enwau byd-enwog fel McDonalds.

BILINGUAL DESIGN AWARDS

The awards were a great success again this year, with over 1000 entries in five different areas. The award ceremony was held at Tredegar House, Newport, with over 100 guests. Once again, a supplement appeared in The Western Mail during the National Eisteddfod, and the winning work was exhibited at the arts and crafts pavilion throughout the Eisteddfod week. The awards were sponsored by the WDA, Tesco, Nationwide, NatWest Cymru/Wales, Camelot, Westdale Press and Hughes, and it is good to note that all of these have agreed to continue their sponsorship of the competition for another year. The awards were organised with the support of Design Wales. One of the Board's judges was the BBC Wales arts and media correspondent, Jon Gower, who welcomed the wide variety of entries in the competition. He was particularly pleased to see large multi-national companies such as McDonalds battling for awards with small local companies such as Y Lili Wen florist in Llanfairpwllgwyngyll.

SECTOR BWYD A DIOD

Cafodd cystadleuaeth bwydlen ddwyieithog y mis ei hail-lansio, gan y cogydd teledu, Antony Worrall Thompson. Noddir y cystadleuaeth gan gwmni Tanners, sy'n cynnig potel o siampêr bob mis i'r sawl sy'n enwebu'r fwydlen lwyddiannus. Bydd enillydd bwydlen orau'r flwyddyn yn derbyn chwaraewr DVD arbennig, diolch i gwmni Fayrefield Foods, gwneuthurwr Caws Colliers. Enillydd cyntaf y cystadleuaeth oedd Gwesty'r Harbwr yn Aberaeron.

Bu'r Bwrdd yn parhau i gynnig cyngor ar becynnu'n ddwyieithog. Un o'r cwmnïau i fanteisio ar hyn oedd Caws Collier's, sydd erbyn hyn yn gwerthu'u caws mewn archfarchnadoedd ar hyd a lled Cymru a thu hwnt. Cafodd y cwmni gymorth i becynnu'u caws newydd yn ddwyieithog. Maen nhw'n enghrafft arbennig o gwmni sy'n gweld potensiad marchnata mewn dwy iaith y tu allan i Gymru. Prawf pellach nad yw'r Gymraeg yn rhwystri i lwyddiant masnachol yng ngweddill Prydain.

FOOD AND DRINK SECTOR

The bilingual menu of the month competition was relaunched by TV chef, Antony Worrall Thompson. The competition is sponsored by Tanners, who offer a bottle of champagne for the nominator of the successful menu every month. The winner of the best menu throughout the year will receive a special DVD player, courtesy of Fayrefield Foods, makers of Colliers Cheese. The first winner was the Harbourmaster Hotel in Aberaeron.

The Board continued to offer advice on bilingual packaging, and one of the companies to take advantage of this advice was Collier's Cheese, which now sell their cheese in supermarkets across Wales and beyond. The company received help on how to package their produce, and they are an excellent example of a company who have realised the potential of marketing bilingually outside Wales. Further evidence that the Welsh language is seen as a unique selling point when marketing produce and goods in the rest of the UK.

TECHNOLEG GWYBODAETH

Mae technoleg gwylbodaeth yn un o'r meysydd sy'n rhoi gwedd fodern i iaith, ac yn ei galluogi i gael ei defnyddio yn y gweithle. Bu'r Bwrdd yn cydweithio gyda Phrifysgol Cymru Bangor i greu fersiwn Cymraeg o'r Drwydded Yrru Gyfrifiaduol Ewropeaidd (ECDL). Mae'r cymhwyster hwn yn erfyn pwysig i hybu hyfforddiant cyfrwng Cymraeg.

INFORMATION TECHNOLOGY

Information technology is one of the areas which gives language a modern image, and enables it to be used in the workplace. The Board worked with the University of Wales Bangor to create a Welsh language version of the European Computer Driving Licence (ECDL). This qualification is an important tool to promote Welsh medium training.

CREU CYSYLLTIADAU

Cynhaliwyd dau seminar arbennig i dargedu rhannau penodol o'r sector – y diwydiant cynhyrchu bwyd a diod, a'r diwydiant twristiaeth. Bu'r seminarau yn gyfle i ddod â rhai o gwmnïau amlycaf Cymru ynghyd i sôn am bwysigrwydd dwyieithrwydd yn eu gwaith marchnata. Cafwyd cyfraniadau cadarnhaol ynglŷn â'r iaith gan gwmnïau fel Portmeirion, Rachel's Dairies a Halen Môn.

MAKING CONTACTS

Two seminars aimed at specific areas of the sector – tourism, and food and drink – were held. These were an excellent opportunity to bring some of Wales' leading companies and businesses together to discuss the importance of using two languages in their marketing work. We were delighted with the positive contributions from companies such as Portmeirion, Rachel's Dairies and Halen Môn.

Cracyrs Cymraeg o Ben-y-bont

Bu'r Nadolig yn gyfnod prysur ond llwyddiannus iawn i Delyth Haf Kenny, perchenog Siop yr Hen Bont, Pen-y-bont ar Ogwr, diolch i grant bach gan y Bwrdd. Cynhyrchodd Delyth Kenny a chwmni Brite Sparks o Ystrad Mynach gracyrs dwyieithog moethus cyntaf Cymru. Cafwyd diddordeb mawr yn y cracyrs cyn iddyn nhw fynd ar werth hyd yn oed, ac ymhen dyddiau yn unig, roedd y cyfan wedi'u gwerthu. Ar ôl sylwi ar fwîch yn y farchnad y llynedd, bydd Delyth Kenny yn cynhyrchu rhagor o gracyrs ar gyfer 2003.

Christmas goes with a bilingual bang!

Christmas was a busy but successful time for Delyth Haf Kenny, owner of Siop yr Hen Bont in Bridgend, thanks to a small grant from the Board. Delyth Kenny and Ystrad Mynach based Brite Sparks produced Wales' first luxury bilingual crackers. They proved to be a great hit – even before they appeared in the shop – and sold out within a few days. After spotting a niche in the market, Delyth Kenny will be producing more crackers for 2003.

> Defnyddia hi Use it! >

Dros y blynnyddoedd diwethaf, mae cynnydd mawr wedi bod yn y cyfleoedd i ddefnyddio'r Gymraeg wrth dderbyn pob math o wasanaeth. Gweithredu cynlluniau iaith statudol sydd wedi galluogi hyn yn y sector cyhoeddus yn fwy na dim. Mae nifer o gyrrff gwirfoddol hefyd wedi datblygu'u polisiau eu hunain.

Over the past few years, there has been a substantial increase in the number of services available in Welsh. In the public sector, this has happened principally as statutory language schemes have been implemented. In the voluntary sector, several bodies have devised their own specific policies.

ADRODDIAD EGIN

Comisiynwyd adroddiad arbennig gan y Bwrdd i ddarganfod i ba raddau mae modd cael profiad Cymraeg llawn a naturiol mewn atyniadau ar gyfer ymwelwyr. Treuliodd cwmni Partneriaeth EGIN dymor yr haf yn trefnu i 'ymwelwyr cudd' ymweld â phob math o lefydd ar hyd a lled Cymru. Cymysg iawn oedd y gwasanaeth a gynigiwyd i'r 'ymwelwyr'. Yn weledol - ar arwyddion parhaol, ac mewn deunydd marchnata a chyhoeddiadau - roedd y Gymraeg yn cael triniaeth bur gyfartal gan y mwyafri o gyrrff. Y gwasanaeth personol oedd y man gwan gan amlaf. Amgueddfa Werin Sain Ffagan ddaeth i'r brig fel yr atyniad a gynigiodd yr arfer gorau drwyddi draw.

EGIN REPORT

The Board commissioned a survey looking at whether such a thing as a 'real Welsh language experience' actually exists. Partneriaeth EGIN spent the summer months organising a team of 'mystery visitors' who went to a wide range of attractions across the whole of Wales. The level of service offered to the 'visitors' was very varied. Visual information, including permanent signage, marketing and literary materials, were often very good, with both languages treated fairly equally in most cases. However, face to face contact was usually weaker as far as the language was concerned. The Museum of Welsh Life at St Fagans was the attraction which offered the best in bilingual service as a whole.

CYNLLUNIAU IAITH GYMRAEG

Mae cyfanswm o 216 cynllun iaith statudol wedi'u cymeradwyo. Mae manylion llawn ar gyfer 2002-03 yn Atodiad 3. Hefyd ceir rhestr o'r holl gyrrf ar safle'r Bwrdd ar y we. Eleni, cymeradwyodd y Bwrdd yr 200fed cynllun iaith, sef cynllun Llywodraeth Cynulliad Cymru. O'i weithredu'n effeithiol, mae gan y cynllun hwn y potensial i gael dylanwad pellgyrhaeddol yng Nghymru.

WELSH LANGUAGE SCHEMES

A total of 216 statutory language schemes have been approved. Full details are included in Annex 3, and a list of all bodies with a Welsh Language Scheme is included on the Board's website. This year saw the Board approving the 200th scheme – prepared by the Welsh Assembly Government. If implemented effectively, the scheme's influence could be far-reaching.

COMISIWN RICHARD

Yn ei dystiolaeth i Comisiwn Richard, tynnodd y Bwrdd sylw at sefyllfaoedd lle mae cyfyngiad ar bwerau'r Cynulliad yn arwain at anhawster neu arafwch gweithredu Deddf yr iaith Gymraeg. Yn ganolog i hyn mae diffyg atebolwydd cyrff y Goron i'r Ddeddf iaith ac i'r Cynulliad. Mae'r Comisiwn yn adolygu pwerau'r Cynulliad a'i berthynas gyda San Steffan.

RICHARD COMMISSION

The Board gave evidence to the Richard Commission, and highlighted a number of situations where constraints on the Assembly's powers can lead to difficulties or problems in implementing the Welsh Language Act. Central to this is the fact that Crown bodies are not answerable to the Assembly or covered by the Welsh Language Act. The Commission is responsible for reviewing the Assembly's powers and its relationship with Westminster.

CYMRAEG YN Y GWEITHLE

Un o'r cyrff i wneud defnydd arbennig o Ganllawiau Hyfforddiant iaith Gymraeg yn y Gweithle, yw Heddlu Gogledd Cymru. Mae'r heddlu'n rhedeg rhaglen hyfforddiant arbennig ar gyfer eu staff. Gyda thros 2400 o staff ym mhob rhan o Ogledd Cymru, aeth yr Heddlu ati i gynllunio rhaglen dros gyfnod o dair blynedd. Mae 55 aelod o staff ar eu hail flwyddyn o'r cwrs. A chyda'r Prif Gwnstabl wedi llwyddo yn ei arholiad AS Cymraeg yn ystod y flwyddyn – mae Heddlu'r Gogledd yn enghrafft arbennig o fudiad yn cynnig cyfleoedd i staff ddysgu'r Gymraeg yn y gweithle, ac yn tanlinellu pwysigrwydd arweiniad cryf – drwy esiampl.

SAFLEOEDD GWE CYHOEDDUS

Yn ystod y flwyddyn, cyhoeddodd Llywodraeth Prydain ar sail cyngor gan y Bwrdd ofynion a chanllawiau ar gyfer sefydliadau llywodraethol ar gyflwyno'u safleoedd gwe yn ddwyieithog.

WELSH IN THE WORKPLACE

One of the organisations to make the most of the Board's Welsh in the Workplace Language Training Guidelines is North Wales Police, who organise a special training programme for their staff. With over 2400 staff across North Wales, the Police have designed their programme over a three year period, and 55 staff are currently on their second year of language training. The Chief Constable's success in the AS Welsh examination during the year makes North Wales Police an excellent example of an organisation providing opportunities for staff to learn Welsh in the workplace, and also underlines the importance of strong leadership – through example.

PUBLIC SECTOR WEBSITES

Following advice from the Board, the UK Government announced recommendations and a guide to government organisations on presenting bilingual websites.

SECTOR IECHYD

Mewn cynthiadedd yn edrych ar y Gymraeg mewn gofal iechyd, tynnodd y Bwrdd a'r Cynulliad sylw gweithwyr yn y sector iechyd at y diffyg mewn gwasanaethau Cymraeg ar gyfer cleifion. Roedd Cadeirydd y Bwrdd yn un o brif siaradwyr y dydd. Bu'n sôn am y ffaith fod rhan helaeth o'r byd iechyd yng Nghymru yn parhau i anwybyddu'r angen am wasanaeth Cymraeg. Bu'r Bwrdd hefyd yn chwarae rhan amlwg yng ngwaith Tasglu iechyd y Cynulliad, gan gynghori a chynnig cymorth, yn enwedig yn nhermau cyflwyno Cynllun Gweithredol i'r Tasglu.

HEALTH SECTOR

A conference on Welsh in health care gave the Board and the Assembly an opportunity to highlight the lack of Welsh language provision for patients. The Board's Chair was one of the keynote speakers. He said that a large percentage of the health sector in Wales continues to ignore the need for a Welsh language service. During the year the Board also played an active role in the work of the All Wales Taskgroup for Welsh Language Services, advising and offering assistance, especially in the presentation of the Taskgroup's Action Plan.

RHEOLEIDDIO'R PROFFESIWN CYFIEITHU

Yn ystod ei arolwg o'r iaith Gymraeg, gofynnodd y Cynulliad i'r Bwrdd ystyried sut y dylid rheoleiddio'r proffesiwn cyfieithu Cymraeg / Saesneg. Y bwriad oedd llunio prosiect a fyddai'n cynnwys ffyrdd o ddatblygu Cymdeithas Cyfieithwyr Cymru, dan arolygaeth y Bwrdd, yn gorff rheoleiddio. Sefydlwyd Gweithgor i wneud y gwaith, a chyflwynwyd adroddiad cynhwysfawr, a oedd yn cynnwys nifer o argymhellion gweithredol, i'r Cynulliad. Bydd y Bwrdd yn ystyried hwn ymhellach gyda'r Cynulliad ac yn paratoi strategaeth ar gyfer cyfieithu, ar y cyd â Chymdeithas Cyfieithwyr Cymru ac eraill sydd â diddordeb yn y maes, yn ystod y flwyddyn i ddod.

REGULATING TRANSLATION

The Assembly asked the Board to look closer at how to regulate the Welsh / English translating profession, when it gave evidence on translation during the review of the Welsh language. The aim was to develop a project which would establish the Association of Welsh Translators and Interpreters as a regulating body for the profession, under the Board's supervision. A working group, created by the Board, presented to the Assembly a comprehensive report, which included several recommendations. This report will be considered by both the Board and the Assembly. A translation strategy will be developed, in conjunction with the Association of Welsh Translators and Interpreters and other interested parties, over the coming months.

Cymdeithas Cyfieithwyr Cymru

Sefydlwyd y Gymdeithas ym 1976 pan nad oedd mwya na llond dwrn o bobl yn gweithio fel cyfieithwyr yng Nghymru. Erbyn hyn, mae hi wedi tyfu'n gorff proffesiynol sy'n cynrychioli dros 160 o gyfieithwyr Cymraeg / Saesneg. Mae hi'n cynnig amrywiaeth o wasanaethau i gyfieithwyr a darpar-gyfieithwyr, gan gynnwys trefn arholi ac asesu.

Association of Welsh Translators and Interpreters

The Association was created in 1976, at a time when translators in Wales were few and far between. Over the years, the Association has grown and developed into a professional body representing over 160 Welsh / English translators and interpreters. The Association offers a wide range of services to translators and prospective translators, including an examination and assessment procedure.

Mae rhan fawr o waith y Bwrdd yn waith cynhaliol, sy'n cynnwys cynnig cymorth i unrhyw un sydd am wybod am yr iaith, a'r Bwrdd. Gall peth o'n gwaith, fel ein gwasanaeth Llinell Gyswilt â'r Gymraeg, gynyddu defnydd o'r iaith yn uniongyrchol. Mae elfennau eraill hefyd yn gallu arwain at hynny'n anuniongyrchol, drwy gryfhau'r seilwaith i'r Gymraeg a chodi'i statws.

Much of the Board's supportive work involves offering advice to anyone wishing to find out more about the language and the Board. Some of the work, such as our Link Line to Welsh service, can increase the use of the language directly. Other elements often achieve this indirectly, through strengthening the language's infrastructure and raising its status.

SAFLE GWE

Cafodd safle'r Bwrdd ar y we (www.bwrdd-yr-iaith.org.uk) ei ail-ddatblygu'n gyfan gwbl, gan ei wneud yn haws i'w ddefnyddio. Mae'r safle newydd yn cynnwys nifer o adrannau sy'n llawn gwybodaeth gefndir a defnyddiol am y Gymraeg a defnydd iaith. Mae'r adrannau yma'n cynnwys gwaith y Bwrdd, addysg a chyngor ar gyfer cyrff cyhoeddus, gwirfoddol a phreifat, ynghyd â llyfrgell sylwedol o gyhoeddiadau sy'n ymneud â gwaith y Bwrdd. Gellir llwytho copiâu o gyhoeddiadau cyfredol a diweddar y Bwrdd o'r safle.

CORPORATE WEBSITE

The Board's website (www.welsh-language-board.org.uk) was redeveloped during the year. The new site is much easier to use and is managed by Board staff. It includes a number of sections full of background and useful information on the Welsh language, and Wales. Sections include the Board's work, education and advice for public, voluntary and private sector organisations. The site also includes an extensive publications library, which includes the Board's current and recent publications to download.

CYMHORTHION IEITHYDDOL A CHYFIEITHIU

Bu'r Bwrdd yn parhau i ddatblygu'r gwaith gyda'n Gwasanaethau Ymgynghorol ar Safoni Termau ac ar Enwau Lleoedd, ynghyd â'r gwasanaeth Llinell Gyswilt â'r Gymraeg. Mae'r Llinell Gyswilt ar gyfer ymholaiedau cyffredinol ar yr iaith. Ers ei sefydlu yn Ionawr 1998, mae defnydd o'r gwasanaeth wedi cynyddu'n gyson. Dros y flwyddyn gyfan cafwyd dros 3,000 o ymholaiedau arni. Ar ddiwedd y cyfnod adrodd sefydlwyd uned benodol (Uned Cynllunio Corpws) i reoli'r gwasanaethau hyn gyda'i gilydd.

TRANSLATION AND LANGUAGE AIDS

The Board continued to develop its work on the Advisory Services on the Standardisation of Terms and Place-names, together with the Link Line to Welsh service. The Link Line provides advice on general questions relating to the Welsh language, and since its inception in January 1998, use of the service has increased consistently. Over the year over 3,000 enquiries were received. At the end of the period, a special unit (Corpus Planning Unit) was established to manage these services together.

ARDDANGOSFEYDD

Derbyniodd y Bwrdd arian ychwanegol gan y Cynulliad i greu arddangosfa newydd ar gyfer yr Urdd a'r Eisteddfod Genedlaethol. Neges yr arddangosfa oedd "Gnewch y pethau bach, cyflawnwn bethau mawr" i ddangos bod gan bawb gyfraniad i'w wneud at ddyfodol yr iaith. I danlinellu'r neges, caffodd ffilm fideo'r Bwrdd, a noddwyd gan HSBC, BT, Consignia a Tesco, ei dangos ar y stondin. Roedd y fideo yn cynnwys cyfres o gyfraniadau gan bobl cyffredin ac adnabyddus yn sôn am bwysigrwydd yr iaith iddyn nhw, yn bersonol, yn broffesiynol ac wrth gynnal busnes.

EXHIBITIONS

The Board received additional funding from the Assembly to create a new exhibition for the National and Urdd Eisteddfod. The exhibition's message was "Let's do the small things and achieve great things" to show that everyone has a role to play in the future of the language. The Board also produced a video, sponsored by HSBC, BT, Consignia and Tesco, which was shown on the stand. The video included a series of contributions from famous people and members of the public, outlining the importance of the language in their personal, professional and business lives.

▼ CYSYLLTIADAU TU HWNT I GYMRU

Bu'r Bwrdd yn rhan o drafodaethau Pwyllgor Addysg, Diwylliant a Chwaraeon Senedd yr Alban ar Fesur yr iaith Aeleg. Bellach mae Llywodraeth y Senedd wedi penderfynu deddfu o blaid yr iaith honno. Diddorol fydd gweld beth gaiff ei gynnig i roi mesur o statws statudol i'r Aeleg yn yr Alban am y tro cyntaf erioed. Cafodd y Bwrdd wahoddiadau i gyfrannu i nifer o gynadleddau a seminarau rhwngwladol ar agweddau o ddwyieithrwydd a ieithoedd lleiafrifol yn Helsinki, Strasbourg a Brwsel, yn ystod y flwyddyn. Roedd yr ymweliadau yma'n gyfle i rannu profiadau ac arbenigedd ynglŷn â dwyieithrwydd yng Nghymru ac ar draws Ewrop.

▼ CONTACTS OUTSIDE WALES

The Board was part of discussions at the Scottish Parliament's Education, Culture and Sports Committee on the Gaelic Language Bill. The Parliament's Government has decided to legislate in favour of the language, and it will be interesting to see what is offered to give the language some statutory status in Scotland for the first time ever. During the year, the Board was invited to take part in several international conferences and seminars on bilingualism and minority languages in Helsinki, Strasbourg and Brussels. These visits were an opportunity to share experiences and expertise on bilingualism here in Wales and across Europe.

▼ EISTEDDFOD GENEDLAETHOL CYMRU

Bwriad yr Eisteddfod yw hyrwyddo'r diwylliant a diogelu'r iaith Gymraeg drwy gynnal gŵyl flynyddol yn ystod wythnos gyntaf mis Awst. Mae'r Bwrdd yn falch iawn o fod yn rhan o bartneriaeth ar y cyd â Bwrdd Croeso Cymru, Cyngor Celfyddydau Cymru a'r Eisteddfod ei hun fydd yn comisiynu ymgynghorwyr i asesu llwyddiant yr wyl o safbwyt twristiaeth ddiwylliannol, gan gynnig argymhellion ar gyfer ei dyfodol.

▼ NEWYDDION

Cyhoeddwyd tri rhifyn o Bwletin yn ystod y flwyddyn. Yn ogystal â dosbarthu copïau i dros 5000 o fudiadau ac unigolion, anfonwyd copi electronig at bawb sydd wedi cofrestru ar safle gwe'r Bwrdd. Mae gwybodaeth electronig hefyd yn cael ei anfon at gyrrf, sefydliadau ac unigolion ar nifer o bynciau penodol, gan gynnwys y sector preifat, addysg a dylunio.

▼ NEWS

The Board continues to publish its newsletter Bwletin regularly. Each edition is distributed to over 5000 organisations and individuals. The Board has started to distribute Bwletin electronically to those registered on its website, and also circulates information electronically to organisations and individuals on a number of specific topics, including the private sector, education and design.

▼ NATIONAL EISTEDDFOD

The Eisteddfod aims to promote culture, and safeguard the Welsh language, by organising an annual festival during the first week of August. The Board is delighted to be part of a joint partnership with the Wales Tourist Board, Arts Council of Wales and the Eisteddfod itself, which will commission a team of consultants to assess the success of the festival. This work will be done in relation to cultural tourism, and will offer ideas and recommendations for the future.
